

Rush Funding

Same Day Processing of Your Invoices

We are quick! We will normally turn your invoices around in less than 24 hours, however, Rush Funding is an available option to you. Rush Funding moves your invoices into a priority position and assures that your money will be received on the same day your invoices are submitted.

In order to process your invoices for Rush Funding and avoid any delays, please be sure the images are clear and all paperwork is included (Invoice, Rate Confirmation, Bill of Lading). We also ask that you indicate your preferred funding method at the time of your Rush Funding request (Wire, ACH, Fuel Card or Express Code).

Cost: \$25

Deadline: 12pm PST

To request Rush Funding, simply add "Rush Funding" in the subject line of your email or give us a call directly. A confirmation will be provided to you so you can rest easy knowing your funds will arrive promptly.
